

# Mulberry Close Residents Society Newsletter

January 2006

## **Director (still) needed: MCRS Treasurer**

The last Newsletter called for a volunteer to take on the role of Treasurer from Dr Clarke Brunt who steps down as Treasurer this March after 12 years.

Much to everyone's surprise no-one has yet offered to take over! Do consider if you might do it yourself.....please contact Clarke at number 35 to discuss the duties.

**Any share holder, new or long standing, is eligible and formal financial experience or qualifications are not required.**

## **Annual General Meeting**

The AGM for 2006 will be held at Ellis House on Wednesday 29 March. Official papers will be circulated early March.

There will be tea, biscuits and (for early birds) home made cake. Please do come if you possibly can. The Directors especially hope to welcome those new to the Close in the last year.

## **MCRS Handbook**

The revised Handbook has been distributed to every house in the Close. If you need another copy or if you see new neighbours who may need a copy please don't hesitate to ask Katherine at No. 51 who can deliver more.

## **Wanted: logs**

Anyone who has a tree cut down and has no use for the logs is welcome to put them in the front garden of Frank Stajano at No. 32 who will burn them in his fireplace. No small branches or leaves please.

Frank also thanks those who have left logs in the past.

## **Parking and Garages**

Many thanks to everyone who responded to the Garage Questionnaire in January. The results are as follows:

- 65 houses in the Close
- 25 houses with an original integral garage and drive
- 28 garages
- 12 houses without a garage

25 people responded, 17 from houses without an integral garage. 4 of the 17 did not have a garage.

No one offered to sell their garage but there was interest in buying or renting space. Contact the following if you have space to let:

- Steve at No. 1
- Robin at No. 4
- Lizzie at No. 6

## **Neighbourhood Watch**

### **E Mail address**

We now have an email address for the NHW coordinator, Sarah Barratt. It is:

## **Skip Dates**

The next sip is due this Friday.  
**Please, please** don't overfill it. If your stuff doesn't fit in you must take it back.

## **Dustbins**

Continuing the refuse theme - a request from Eckart Jack at No. 28:

please can residents put their bins back in their gardens or the bin corral after collection day. Unclaimed bins have been used in the past by burglars as steps to get over the fences.
