

Mulberry Close Residents Society Newsletter

Sep 2007

Thanks to event organisers

First, a big thank you to the people who have organised events for us in Mulberry Close over the summer. Jim and Liz ran the annual Here we go Round the Mulberry Tree to great success, even if the weather did not always cooperate.

Thanks also to Nick and Kyle at No.52, Jim and Liz at No.25 and the Quinns at No.6 who organised Afternoon Tea on the Green to say good bye to Juan, Judy, Maria and Elias.

Goodbye and good luck

to Juan, Judy, Maria and Elias who leave the Close this month. Have a safe journey and good fortune for the future.

The September Skip -

is here. Please don't overfill! Readers may recall that Frank (No.32) and Jim (No.25) are putting out additional green bins by the skip to take any compostable material.

Unfortunately all the Close green bins are full this week so please retain your green waste for the Council rather than putting it in the skip.

Food Waste

A reminder from the City Council that food waste, well wrapped in a plastic bag, can be put into your black bin if you need a weekly collection during the warm months.

Thanks to Rosie and Charlotte (No.57) for alerting us to this possibility.

Security

A reminder from the last Newsletter - do be on guard for

distraction burglaries. If in doubt about any caller don't let them in, ask for ID and call to check their identity. If you are not expecting a visitor it's best to be on your guard.

Car crime continues to be an issue in this area so do take care to lock your car when you leave it, even for a minute to pop back to the house, and don't display valuables in your car for passers-by to see.

Electoral Registration

The Council has been distributing their Electoral Roll material so that residents can register to vote. If your household has not received a package do contact the Council to make sure you obtain or retain your right to vote. Tele-457048 or elections@cambridge.gov.uk Citizens of EU countries living in the UK are also eligible to vote.

For sale and wanted

Nothing this month but do let the Editor know for the November Newsletter.
